when betty friedan produced the feminine mystique in 1963 she could not have realized how the discovery and debate of her contemporaries general malaise would shake up society victims of a false belief system these women were following strict social convention by loyally conforming to the pretty image of the magazines and found themselves forced to seek meaning in their lives only through a family and a home friedan s controversial book about these women and every woman would ultimately set second wave feminism in motion and begin the battle for equality this groundbreaking and life changing work remains just as powerful important and true as it was forty five years ago and is essential reading both as a historical document and as a study of women living in a man s world one of the most influential nonfiction books of the twentieth century new york times feminism began with the work of a single person friedan nicholas lemann with a new introduction by lionel shriver

the sacred feminine cuts across several areas and knits them together alchemy gnosticism jesus and mary magdalene john the baptist the templars and their treasure this book is not a repeat of the davinci code it goes beyond it with facts and connects the dots while it profiles many major world goddesses it goes into depth with mary magdalene not a penitent prostitute and the church finally agreed in 1969 she was an apostle to the apostles from a rich egyptian family and she had been a temple priestess hierodulai practicing hieros gamos she anointed jesus and knew much of what he knew including possessing some of his anointing she stood before caesar tiberius and to make a point with him she turned a white egg to red her gospel of mary is examined ch 11 and her teaching the last 2 chapters examine how we can connect with the divine feminine masculine and achieve a higher awareness the book could have been called spiritual alchemy the templars did find treasure and genealogies under the temple mount and the head skull of john the baptist and took it back to france and some treasure went to rosslyn and some went to the new world quebec as a matter of fact forget oak island tv show the templars stashed it elsewhere they were trying to set up a new kingdom of saguenay in canada but failed spiritual alchemy is what the templars gnostics mary magdalene john the baptist and the cathars were after and it wasn t just to turn lead into gold although some alchemists did do that and it was documented before the king of england the theme of the book is that there needs to be a return to the divine feminine and the yang church needs to become the yin yang balanced church if it is to survive women and their feminine balance nurturing compassion and intuition are sorely needed in today s world as well as the church such

that modern man and woman can better grow spiritually and leave mechanistic rote religion to the 3rd world tribes the book also examines black madonnas leonardo da vinci s paintings with their unique symbolism the dome of the rock and what it hides who the beloved disciple of jesus really was why snake oil is medically of value two new and authentic gospel fragments the mfkzt sic powder discovered in egypt and the recent discovery of writing on the shroud of turin which is authentic it is jesus shroud new looks at ascension karma reincarnation and scripts are looked at thru the eyes of rudolf steiner st germain and the great white brotherhood aka order of melchizedek

the sacred feminine is a life changing book it is so full of useful information tools and exercises all about feminine energy and what it entails a must read for sure denise c the sacred feminine is the embodiment of the nurturers creators lovers and difference makers it s beautiful to see in this lifetime a group of women that shares open heartedly this inspires me to share my story and express myself flora j a powerful book from a powerful group of women the sacred feminine is more than a book it s a movement of badass female entrepreneurs and healers can t wait until volume 2 comes out carla j a collection of insights from the higher self this book explores the sacred feminine within us all coauthored by alexandra littaye april stickelman aria z young clarissa peña courtney dematteo farhana chaudhary jaimie lindquist jessica han jennifer lopez jesse siddeek josephine de vera lauren jane l j hartig madeline barlow phd meral doe renée sarper michele boyer mojdeh seyyedi sarah louisignau shaylene frago dr swathi varanasi and victoria thierens

michelle sets aside the political correctness of our society s views and calls a truce between the genders with her biblically based perspective on the art of being a woman today s christian woman magazine writing with her characteristic boldness grace and gut level honesty michelle mckinney hammond challenges women to unearth the hidden gift of their femininity readers will gain a new biblically based perspective on their femininity and a few laughs along the way as they experience michelle s refreshing take on the real feminine mystique they will discover the power of influence the pitfalls of manipulation the strength of vulnerability how to make up for their mate s weaknesses how to take advantage of his strengths instead of being threatened by men and unsure of their own value readers can truly embrace the precious value of being women as they inspire the world with their intrinsic strength intuition sensitivity and yes sexuality rerelease of the power of femininity

within a society in which rational analysis and technology have been greatly developed but which has not known how to translate its material wealth into emotional and spiritual wellbeing the resurgence of the feminine is ever more necessary essential and unavoidable this book is a call and guide for healing and for developing consciousness of both women and men it offers tools to integrate feminine values as well as to humanize our relationships with ourselves the rest of society and with the environment it is about waking up to your own true power and your true nature beyond social and gender conditioning it is an invitation to go within in order to be in contact with our divine human potential develop it and then express and externalize it healing in this way our life and our relationship with mother earth in this voyage of initiation and as we overcome the repression of the feminine we dare to explore our most human dimensions as well as enter into contact with our most vulnerable sides turning them into allies and true strength the resurgence of the feminine contains an article by leonard orr founder of rebirthing breathwork and a prologue written by vandana shiva

the bestselling author of *Minding the Body, Mending the Mind* reveals the interconnected loop of the mind, body, and spirit in a pioneering book that will teach women how to maximize their health and well-being as well as discover the extraordinary power that comes with each stage of the feminine life cycle

the book of Ruth is probably best known as a romantic love story that through the expression of loving devotion overcomes tragedy and ends with the founding of the most famous family in all of biblical Israel. But the book wasn't always this way. In fact, it wasn't a book at all, but rather a story told with a very different purpose in mind. Before Ruth, there was the story of Naomi, a subversive story designed to challenge a male-dominated status quo through comedy, sarcastic irony, and unparalleled rhetorical skill. The Naomi storyteller holds up for inspection social gender roles and the power of sexuality in a manner that resonates yet today. The story of Naomi, the book of Ruth goes behind the literary rendition of the story and recaptures the original oral tale with script and performance directions that brings to life the humor, tragedy, and transparent honesty shared between the Naomi storyteller and her audience.

this anthology with essays by Riane Eisler, June Singer, and others considers goddess myths, current psychological perspectives, and the feminine principle in spirituality today. It offers a worldview that integrates intuition, intellect, and feeling.

geïllustreerd historisch overzicht van de geschiedenis van de naaldkunst

with remarkably original formulations Naomi Seidman examines the ways that Hebrew, the holy tongue, and Yiddish, the vernacular language of Ashkenazic Jews, came to represent the masculine and feminine faces, respectively, of Ashkenazic Jewish culture. Her sophisticated history is the first book-length exploration of the sexual politics underlying the marriage of Hebrew and Yiddish, and it has profound implications for understanding the centrality of language choices and ideologies in the construction of modern Jewish identity. Seidman particularly examines this sexual-linguistic system as it shaped the work of two bilingual authors: Sholem Y. Abramovitsh, the grand father of modern Hebrew and Yiddish literature, and Dvora Baron, the first modern woman writer in Hebrew and a writer in Yiddish as well. She also provides an analysis of the roles that Hebrew masculinity and Yiddish femininity played in the Hebrew-Yiddish language wars, the divorce that ultimately ended the marriage between the languages. Theorists have long debated the role of mother and father in the child's relationship to language. Seidman presents the Ashkenazic case as an illuminating example of a society in which mother tongue and father tongue are clearly differentiated. Her work speaks to important issues in contemporary scholarship, including the psychoanalysis of language acquisition, the feminist critique of Zionism, and the nexus of women's studies and Yiddish literary history. This title is

part of uc press s voices revived program which commemorates university of california press s mission to seek out and cultivate the brightest minds and give them voice reach and impact drawing on a backlist dating to 1893 voices revived makes high quality peer reviewed scholarship accessible once again using print on demand technology this title was originally published in 1997
