FAQs

- 1 Are solved question papers available While finding officially solved papers might be difficult working through them yourself and comparing your answers to the marking scheme or seeking feedback from professors is more beneficial for learning
- 2 How many years worth of papers should I solve Aim for at least the last 5 years papers but more is always better Focus on understanding the concepts rather than just memorizing answers
- 3 What if I dont understand a question Dont hesitate to seek help from your professors teaching assistants or classmates Understanding the underlying principles is more valuable than simply getting the correct answer
- 4 How important is neatness in the exam Neatness and clarity are crucial A wellpresented drawing is easier to mark and scores better than a messy one even if the technical aspects are correct
- 5 Can I use software for practice While software like AutoCAD can be useful for learning mastering manual drawing techniques is still vital as many exams

may require handdrawn 4 solutions Practice with both methods to maximize your preparation
